Guse's Poem

Yes, when you walk right in, you can sit right down

Mary's here to help; she will do you no harm

So just walk on in; and set yourself down

She will splint your leg or fix your broken arm

She's always rough and ready; Steady as she goes

She'll do anything but help you blow your nose

So walk right in and set your ass down

Mary's gonna mend your arm.

**A** **F#maj7** **B7** **E** **A**  
Walk right in; set your ass down Mary's gotta fill out a form

Katrina and the Waves (CAPO 2)

G – C – D

I used to think that signing in early meant to sign in by 8

But now if you sign in after 7 you're a full hour late

But here's a good reason why we're tired and like it or not

We've been reassigned now we walk up from a new parking lot

D	C
I'm walking from seven	it's steep
D	C
I'm walking from seven	I'm Beat
D	C
I'm walking from seven	you know

That it doesn't feel good

You'd think that because we volunteer and our service is free

At least they would let us park our cars in lot 2 or lot 3

We'd sign in by 8 have a donut then go out and ski

But that was back when things were different and lot 2 was free

D	C
I'm walking from seven	it's steep
D	C
I'm walking from seven	I'm Beat
D	C
I'm walking from seven	you know

That it doesn't feel good

We're fond of lot 2 & lot 3 we're begg'n please give it back

And I just can't wait or I might have a stroke or heart attack

That hills getting to me and I don't think I can walk it no more

It's 7 am and I'm tired when I walk through the door

D	C
I'm walking from seven	it's steep
D	C
I'm walking from seven	I'm Beat
D	C
I'm walking from seven	you know

That it doesn't feel good      it doesn't feel good

But this time he couldn't stay behind the sled,  
**D** **G**
